

## Commercial Project References

### Senior Centers and Living Facilities

Below is a list of project references we hope you will find comparable to the current project we are quoting for you. We chose this list to demonstrate our experience in your project size, number of buildings, labor capacity, and OSHA compliant trained employees.

The contact information for each project is also provided for your convenience...we encourage you to discuss our performance with them, as our goal for success is to build relationships through complete customer satisfaction.
